What are the Camp Facilities Like?

- Cabins are furnished with solid pine bunk beds and all mattresses are clean and comfortable.
- Cabins have indoor restrooms and showers.
- Cabins are heated and carpeted.
- Camp has been recently modernized with main dining hall, indoor amphitheater and recreation space.

Who Works with Students at Camp?

- Classroom Teacher - Joins students at camp and oversees program; sleeps in separate quarters near dining hall
- Camp Counselor - Sleeps in cabins with students and acts as support staff during daytime activities
- Naturalist - Leads the daytime trail groups and are science specialists

All CODES cabin leaders and naturalists have been fingerprinted, had a background check, have Wilderness First Aid, CPR certifications, and are trained to deal with common student issues such as bullying.

What is Meal Time like at Camp?

- The food served is delicious, kid friendly, and seconds are offered.
- Adults at each table make sure each child is eating a variety of foods at meal time as well as drinking enough water.
- If your child has food allergies or any special dietary needs, list them on the Health Waiver (YELLOW). Camp is prepared to meet all student dietary needs.

****(A SPECIAL CONCERNS online form will be discussed later in the presentation.)****

What are the CODES rules?

- ResPect other people's property. If it's not yours, do not touch it.
- You may not go into a cabin other than your own without an instructor's permiSSion.
- No food or drinks in cabins.
- No technology allowed.
- You have broken the rules if you are involved in fighting, pretend fighting, teasing, put downs, goSSip, or hurting another person, even if you didn't start it.

BLUE FORM

CODES rules cont.

- Show respect for nature by not littering, not picking flowers or plants, not picking up sticks or rocks, and always WALKING on the trails.
- Don't touch or chase wildlife.
- You MUST be with an adult at all times. Do NOT wander.

Please review the rules with your child as they will need to sign the discipline contract in addition to a parent/guardian. Students will attend OSS Expectation Assemblies as the camp dates get closer. All camp rules and the discipline system will be reviewed.

BLUE FORM

What is the Discipline System?

- STRIKE 1: Student will be counseled by a district teacher.
- STRIKE 2: Student will go to camp office and have a serious discussion with staff, teachers, and camp principal. Parents are called and notified.
- STRIKE 3: Student will be sent home IMMEDIATELY. (*Parents will have to pick up student from camp.*)
 - Student will report back to school
 - the next day for regular classes.

BLUE FORM

Immediate Dismissal from Camp

- Fighting
- Any activity that is inherently dangerous to Self or others
- Stealing
- Outright Defiance
- Intentionally Destroying Property
- Cabin Raiding
- Unauthorized Leaving of Cabins
- Other behaviors at discretion of CODES/District Staff

What Should Students Bring

Three primary items:

- Small backpack to carry on the bus.
(Everything they need for Day 1 in backpack.)
 - Sleeping Bag & Pillow (Bed Roll)
 - Suitcase or Duffel Bag
- ★ Sleeping bag and suitcase/duffel should be wrapped in a large garbage bag, labeled with your child's name, & sealed with duct tape.

What Should You Pack?

- Waterproof boots and an extra pair of shoes
- Waterproof jacket/coat, gloves (x2), hat
- Clothing - think layers!
- Flashlight (*Check Batteries*)
- Empty, refillable water bottle
- Camera (*disposable or digital*)
- Toiletries, SunScreen, chapstick, etc.
- Towel & washcloth

★ Have name on EVERYTHING. (masking tape & Sharpie)

OSS Closet

Want to Borrow Clothes?

- District OSS Closet exists so that students can borrow items for the week of camp: Such as boots, jackets, snow gear, etc.
- OSS Closet Opens February 11th (4:30-5:00pm)
- OSS Closet Return: March 2nd (to McGaugh).

What Should Students **NOT** Bring to Camp?

- Food, drinks, candy, gum.
- Money (nothing to buy).
- iPods, video games, cell phones, etc.
(NO ELECTRONICS)
- Make-up, perfume, hairspray, gel, mousse (Unless you want to be mosquito food!)
- Matches, pocket knives, scissors, etc.
- Medications (*All OTC and RX meds must be turned into health clerk by January 31st*)

Medications at Camp

- The medication form is only necessary for those students who take prescription medication or a daily over the counter medication.
- The form isn't needed for students who MAY need an OTC medication while at camp. CODES has common OTC medications they can dispense to students who voice discomfort.
- Each medication that a child is bringing to camp with them must be listed on the **WHITE** form.
 - OTC meds must be age appropriate and have directions in English. They will be dispensed according to product labeling.
 - RX meds require a physician's signature on the **WHITE** form.
 - All meds in ziploc bag with STUDENT NAME and **WHITE** form inside. *(Turn into office by Friday, January 31st)*

WHITE FORM

Over The Counter

Medications available at Camp

- Children's Tylenol (Liquid, Chewable and Pill)
- Children's Motrin (Liquid)
- Ibuprofen
- Benadryl
- Cough Drops/Throat Lozenges
- Antifungal Foot Powder
- Antacid Tablets
- Hydrocortisone Cream
- Antihistamine (Such as Claritin)
- Imodium or Loperamide Tablets
- Electrolyte Pope
- Aloe Vera Gel
- Calamine Lotion

Please don't send the medications on this list to camp as they are available to your student at any time while at CODES. The process of in-taking medication at school and logging them into the medic station at camp is lengthy and every medication, RX or OTC, must be examined and logged by a nurse.

Motion Sickness?

- If your child gets sick in cars or boats, please give them motion sickness medication, such as Dramamine, Tuesday morning before school.
- For your child to be given Dramamine on the bus ride home, complete the Medication Form (**WHITE**) indicating that your child can be given Dramamine, but you **DON'T** need to send the medication to school. Dramamine will be provided on the bus ride home.

Special Concerns

Camp Kick Off Meeting - Upon arrival at camp there is a meeting for all adults to learn and share any special concerns about campers. If you have a unique concern you would like to have addressed before sending your child to camp please:

- Privately speak with your child's teacher, OSS Coordinator or assistant principal regarding the concern.
- You may also, if needed, log-onto the Special Concerns Form to begin the process of establishing further communication with the school, district and CODES about your camper.
- Please don't reach directly out to CODES. Each camper is the responsibility of the district and we work in partnership with CODES to put systems of support in place for all students.

Special Concerns

If you have a unique concern that you need to share, you can log-onto <http://www.loSal.org/> and CLICK on the PROGRAMS tab from the main menu. Select OUTDOOR SCIENCE SCHOOL and then click on the Special Concerns link for our School site.

This will allow you to provide information relevant to your concern. The OSS District Team, consisting of the site OSS Coordinator, District Nurse, School Health Clerk and Site Assistant Principal monitor this form weekly and the appropriate staff member will be in contact to assist you with your concern.

Communication at Camp

- Phone Calls **NOT** Allowed
 - Students may **NOT** bring cell phones or receive phone calls.
- Letters/Mail
 - Incoming mail is delivered daily (*address will be on slide at the end of this presentation.*)
 - Outgoing mail is sent daily.
 - Drop off in School office by **Tuesday February 25th by 3:00pm** and School principal can take up when he/she visits.

Cabin Assignments

As camp gets closer students will give their teacher a list of four friends, from any of the 5th grade classrooms, who they would like to room with while at camp.

- There will be at least one friend from each student's list in their cabin. Quite often students have many friends from the list in their cabin.

Departure to Camp

Tuesday Morning

- Students are to be in class at 7:55am.
- Students will have their temperatures taken. If a student has a temperature of over 100 degrees, he/she will stay home until he/she is fever-free for 24 hours.
- Buses usually depart around 9:00am.
- Parents are welcome to wait in the tennis court lot by the buses (and help load luggage 😊) until departure.
- Assistant Principal will send out voice dialer and email when buses arrive safely at camp.

Return from Camp

Friday Afternoon

- Buses scheduled to depart OSS between 10:30am and 11:00am.
- Assistant principal will send out a voice dialer and email giving parents an estimate of when the buses will be arriving back at school.
- Buses typically arrive back at school between 1:00pm - 2:00pm.
- Upon arrival, students may be signed out by parents/guardians.

Leaving Camp Early

The OSS experience begins when students board the bus to camp and ends when students depart from the bus on Friday. We ask that parents **DO NOT** pick up their children from camp. All early departures **MUST** be pre-approved, unless a child becomes ill, is sent home due to disciplinary actions, or there is an emergency. Our contract with CODES stipulates that camp must be notified and **approve** early departures of campers.

Please contact **MS. Wood** if you have a unique situation that requires going through the approval process with the District Office and CODES for an early camper departure.
