Dear Parents of **Pageant Participants**,

We are proud to announce that our 40th annual Pageant of the Arts program is about to begin!

The Pageant dates are attached to assist you in scheduling appointments and after-school activities on days that conflict with Pageant practices since your child's commitment is so important. Pageant will be held on Thursdays from 2:20 to 3:30 p.m. Please take note of the extended rehearsal times during Pageant practices in January and February.

*Students will not be excused early for any other scheduled activities – dentist/ortho. appointments (appointments can be rescheduled), dance class, baseball practice, etc. Please make any necessary arrangements prior to committing to our program.
